

ESL Adult Program

English as a Second Language (ESL) Classes

Learn English in a welcoming, faith-based environment.

Our **Christian ESL program** is designed to help individuals improve their English language skills while building meaningful relationships in a Christ-centered community. Whether you're a beginner or looking to strengthen your skills, our classes offer support, encouragement, and practical instruction.

What We Offer

- **Listening, speaking, reading, and writing** practice
- Vocabulary building for everyday life, work, and school
- Small group conversation and pronunciation activities
- Bible-based themes that promote hope, kindness, and personal growth

A Faith-Friendly Approach

While the focus is on language learning, our lessons are shaped by Christian values. Students are welcome from all backgrounds and are invited—not required—to engage in short devotionals, Scripture readings, and prayer as part of the classroom experience.

Caring Instructors

Our volunteer teachers and tutors are passionate about language and faith. They create a safe and respectful space where students can learn, ask questions, and grow—both academically and spiritually.

All Are Welcome!

- Immigrants and refugees
- International students
- Anyone eager to learn English in a Christian environment

Join Us!

Come learn English, make friends, and grow in community
